ORDER OF DISMISSAL

The above-entitled matter came on regularly for decision before the Nevada State Board of Medical Examiners, hereinafter "Board," on August 7, 2009, at the Board's Offices located at 1105 Terminal Way, Ste. 301 Reno, Nevada, on the complaint filed herein, pursuant to Nevada's Open Meeting Laws, NRS and NAC chapters 630, and NRS Chapter 233B. James Sullivan, M.D. ("Respondent") and his attorney, Elizabeth Beyer, Esq., were not present for the proceedings.

The members of the Board participating in the decision were Renee West, S. Daniel McBride, M.D., Van Heffner and Javaid Anwar, M.D. who was present telephonically. All other remaining members of the Board, being members of the Investigative Committee that issued the complaint in this matter, were excused from participating and took no part in the proceedings of the Board.

The Board received and reviewed the Recommendation for Dismissal without Prejudice of the Investigative Committee requesting that the complaint filed against Dr. Sullivan on February 18, 2009 be dismissed without prejudice. The Investigative Committee represented through its Recommendation for Dismissal without Prejudice that it had an opportunity to personally meet with Dr. Sullivan and based upon that meeting and after an opportunity to again review the relevant materials in this matter, the Committee believed that Dr. Sullivan has not violated the Medical

1 Medical Practice Act and that he did follow safe infection control practices.

2 The Board, after due consideration, and being fully advised in the premises, hereby dismisses
3 the formal complaint filed against respondent in the above entitled case without prejudice.

4 **IT IS HEREBY ORDERED** that the complaint against James Sullivan, M.D., is hereby
5 dismissed without prejudice.

6 Done in open session this 7th day of August, 2009.
